“Thank you for this added benefit to my ProPay account. It is such a pleasure to have the ‘funds’ for my orders available when I actually place my Mary Kay order. It keeps my credit card balance lower and provides an easy recording for each transaction.”

Jackie Radichel
Independent Sales Director

“When my customers find out they have an option to use a credit card with me or on my website; they get really excited, not only for the convenience but also because they can get what they want NOW!”
